ViVa! Vienna!

May 23, 2009

Welcome to the 2009 ViVa! Vienna! Town Festival!

We are pleased that you are participating in the 2009 ViVa! Vienna! Town Festival which is a family and community oriented celebration of Memorial Day and the Greater Vienna Community Spirit.

The Rotary Club of Vienna in concert with Title Co-Sponsors, The Town of Vienna and Navy Federal Credit Union, and our other Sustaining Sponsor partners are proud to bring you this three-day festival of food, crafts, vendors, non-profit organizations, music, entertainment and amusement rides.

Over the past three years, ViVa! Vienna! has raised more than a quarter of a million dollars. These proceeds have been distributed primarily to local non-profits and community organizations that meet a variety of human and societal needs. In 2009, 52 Vienna area, regional and international charitable organizations will receive more than \$100,000 as a result of profits from the festival.

We hope that ViVa! Vienna! is a fun experience for your family and friends. We can all take pride in also knowing that so many worthwhile causes will benefit from our participation in this event.

Thank you for helping us celebrate Memorial Day and the Greater Vienna Community Spirit!

James Madison High School Parking Lot, Door 11

Sunday, May 24, 2009 & Monday, May 25, 2009

Collection Center Open from 12 Noon to 6 PM

As a community service to citizens who will be attending ViVa! Vienna! on Memorial Day Weekend, Navy Federal Credit Union will be providing FREE recycling services for your surplus personal computers and related devices to help protect our environment. FREE parking and shuttle bus service will also be available to take you from the James Madison High School parking lot to and from the ViVa! Vienna! Town Festival on Historic Church Street.

Help The Environment

Diverting toxic material from landfills, such as those found in computers and monitors, can reduce environmental contamination.

Keep Your Personal Information Secure

Your personal computers and other data containing devices may contain your personal information, such as financial and medical data, information about your identity, such as your Social Security Number, or password and access codes, that you should carefully protect. The recycling protocol involves shredding any data containing component, not just 'wiping drives'.

Clean Out Your Garage

Or your basement or wherever you've been piling things up. Free up this valuable space.

Why Join the Rotary Club of Vienna?

The Opportunity to Serve

Rotarians provide service at both the community, national and international levels. Service programs address health-care needs, hunger and poverty, clean water, literacy, disaster relief, and environmental cleanups, to name a few. Members experience the fulfillment that comes from giving back to the community.

Professional Networking

A founding principle of Rotary was to provide a forum for professional and business leaders. Members are leaders in business, industry, the professions, the arts, government, sports, the military and religion. They make decisions and influence policy. Rotary is the oldest, most prestigious service club in the world.

Personal Growth and Development

Membership in Rotary ensures continuing personal and professional development. Leadership, public speaking and communication, organization and planning, team-building, fundraising, and teaching are just a sampling of the skills that can be exercised and enhanced through Rotary.

Friendship

Fellowship was a primary reason Rotary was started in 1905, and it remains a major attraction. Today, with 1.2 million members in 33,000 clubs in 130 countries, Rotarians have friends wherever they go. Rotary helps to build community as well as enduring relationships.

Cultural Diversity

Rotary International (RI) is an association of local clubs in many countries. Clubs are open to members of every ethnic group, gender, political persuasion, language and religious belief. Rotary clubs contain a cross-section of the world's leaders. They practice and promote tolerance.

Good Citizenship

Membership in Rotary makes one a better citizen. Weekly Rotary club programs keep members informed about what is taking place in the community, nation and the world. Rotary's expansive network of clubs and programs provides extensive opportunities for service and interchange.

World Understanding

Rotary members gain an understanding of humanitarian issues and have a significant impact on them through international service projects and exchange programs of RI and its Foundation. The promotion of peace is one of Rotary's highest objectives.

Entertainment

Every Rotary club and district hosts parties and activities that offer diversion from one's personal and business life. Conferences, conventions, assemblies and social events provide entertainment as well as Rotary information, education and service opportunities.

Family Foundations

Rotary sponsors some of the world's largest youth exchange and educational exchange and scholarship programs. Rotary clubs provide innovative training opportunities and mentoring for future leaders. They involve family members in a wide range of social and service activities.

Ethical Environment

Rotarians practice a 4-Way Test that measures words and actions by their truthfulness, fairness, goodwill and benefit to all. Encouraging high ethical standards in one's profession and respect for all worthy vocations has been a hallmark of Rotary from its earliest days.

What is Rotary International?

“Rotary International is an organization of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world”

Founded in 1905, Rotary International is the oldest and largest (1.2 million members in 33,000 clubs located in 130 countries) service organization in the world.

Rotary International Motto
“Service Above Self”

What is Our Rotary International Four Way Test?

We have the following standard for our actions and words:

1. Is it the TRUTH?
 2. Is it FAIR to all concerned?
 3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
 4. Will it be BENEFICIAL to all concerned?
